Encounter Bear on Frank Main Street

While returning home late Thursday night from a visit with Mr. and Mrs. Ron Crippen, Tony Poch and daughter Betty encountered a bear basking on Frank's main street in the rays of the light in front of the Frank hotel. This thoroughfare is part of the main highway through the Pass and how the bear got to that point without being disturbed by passing motorists is a mystery. It has been reported cruising near the village, but never seen in the village itself.

When Mr. Bear reared, Mr. Poch and daughter took another route and reached home safely. Tony went for his gun, but was out of ammunition. He phoned Mr. Crippen, but Ron was similarly fixed so the bear may be still in the vicinity and may pay another visit.

A group of 64 pupils marched to the new hospital on an educational project. They were from grades 3, 4 and 5. The supervising teachers were Mrs. C. Fleming and Miss Anne Kubik.

"Serve the Church that the Church May Serve You"

CENTRAL UNITED CHURCH, BLAIRMORE
Rev. T. R. Haythorne, Minister

Services Sunday next:
11:00 a.m., Junior, Senior Schools.
7:30 p.m., Public Worship.

The public is cordially invited.

DON'T WAVER. Say "Maxwell House". It's the same marvellous coffee blend, whether packed in Super-Vacuum Tin (Drip or Regular Grind) or Classic-lined Bag (All Purpose Grind).

Death Removes Respected Citizen

Friends in the Pass were sorry to learn of the passing of Mrs. Katherine Isabel Murry, 66, wife of J. J. Murray, retired station agent at Frank, and a resident in the district for 36 years, who died at her home in Blairmore on Wednesday, October 13. She had been ill since January.

Deceased was born in New Haven, Prince Edward Island in 1882 and came to Blairmore in 1912 to teach school here.

She married J. J. Murray in 1917 and moved to Frank where she was an active member of Knox Methodist church, being one of its Sunday school teachers.

Since moving to Blairmore in 1940 she has been teacher in Central United church Sunday school and for the last two years has served as secretary and treasurer. Also active in other church functions, she was president of the local Ladies Aid Society. Also a valued member of the Order of the Eastern Star, she was matron of Vimy Chapter in 1931.

Surviving are her husband; two daughters, Mrs. J. W. (Margaret) Rogers, of Kimberley, and Mrs. G. R. (Beth) Stewart, of Blairmore; her mother, Mrs. Margaret Darrach, 86, in PEI, five sisters, Jenny, Margaret and Vera, PEI, and Annie and Laura, Quincy, Mass.; one brother, Neil, and two grandsons.

Funeral service will be conducted in Blairmore United church at 3 p.m. on Sunday, October 17, and interment will follow at the Union cemetery. Rev. T. R. Haythorne officiating. The bellman's Chapter of the O.E.S. will conduct last rites at the lodge at the graveside, with Mrs. Jim Radford of Bellevue in charge.

Was Charter Member Blairmore K. of P.

Employed for the past five years on the highway patrol for the provincial government, Alexander MacKinnon, 69, of Calgary, died in hospital there on Thursday of last week.

Mr. MacKinnon was born in Ripley, Ontario, and moved to Pincher Creek in 1904, where he farmed for a number of years. He left Pincher Creek in 1919 for construction work in the north.

Mr. MacKinnon was a charter member of the Knights of Pythias, Blairmore.

FRANK SCHOOL REPORT

Following is the May report of the Frank school, the names of the pupils being given in order of merit:

Fourth Book: Eva Steves, Gordon Steeves, Gwilym Evans, Charles Beebe, Norman Broome.

Senior Second: Roland Broome, W. Turner, Pearl Beebe, Ida Bouthillier, Elliot Brouillette, Lizzie Jones.

Junior Second: Nellie Stene, James McGregor, Marguerite Lang, Jessie Brouillette, Frank Nicholson, Albina Chmielewski, Eugene Labey.

Part II: Blodwen Evans, Mary Carson, Bella Beebe, James Turner, Anton Edel, Vincel Poch, Josef Edel, Mary McGregor, Bella Stene.

Senior Part I: Annie Evans, Annie Alex, Emma Bouthillier, Vincel Edel, Alice Marjanek.

Junior Part I: Irene Broome, Janet Nicol, Helen Thompson, John Evans, Nicole Bakos, Tony Poch.

First Class: Grace Turner, Marie Labey, Anna Weje, Enoch Jones, Berrie Brouillette, Frank Poch.

Winifred Ball, teacher.

Don't be alarmed folks, this was culled from The Frank Paper of June 8th, 1905.

HILLCREST ITEMS

Mr. M. Douglas is recovering from head injuries he received in a mine accident on October 1.

Mr. J. Lipnika underwent an appendectomy in the Bellevue hospital and is reported doing well.

Mrs. D. Halton is visiting at the home of her parents in Fishburn, where she went to attend the funeral of her grandmother, Mrs. W. Thomas.

Mrs. W. Fisher arrived home recently from Calgary, where she was visiting Mr. Fisher who is a hospital patient there.

Miscellaneous Shower. The Catholic hall was the scene for a happy gathering on Thursday evening, Sept. 30 when about 140 friends met to honor Miss Mae Dudley, bride-elect, at a miscellaneous shower.

The evening was spent playing whist and bingo, followed with the serving of refreshments, after which Mrs. C. R. Pitt gave the presentation address as the quantities of beautiful gifts were presented. Miss Dudley graciously thanked the guests for the gifts and the pleasant evening.

Hostesses for the occasion were Miss A. Greaner, Mrs. A. Grant, Mrs. W. H. Moser, Misses Mary and Sadie McDougall, Miss Helen Iwasick, Miss Mary Lipnicka, Mrs. C. Pitt, Mrs. P. McNeil and Mrs. A. Hollingshead.

Death of A. Karliner. The death of Mr. Anthony (Tony) Karliner occurred at his home here on Wednesday morning, October 6. Mr. Karliner was in his sixtieth year. He was a native of Germany, having immigrated to Canada forty years ago. He has lived in Hillcrest most of the time since his arrival in this country.

He was predeceased several years ago by a daughter, Annie.

Left to mourn are his wife and two sons, Albert and Ronald, all residing in Hillcrest.

Mr. Karliner was well known in the community and his death came as a shock to his many friends. Sincere sympathy is extended to the family in their bereavement.

The death of a former Hillcrest resident, Mrs. Peter Deby (nee Lillian Bardock) at the age of 29, occurred in Vancouver on Sept. 29. The late Mrs. Deby was born in Hillcrest and received all her schooling here.

She is survived by her husband, one daughter, Donna, of Vancouver, and her parents and four brothers in Bellevue.

Teachers of the Hillcrest school who attended the annual teachers' convention held in Lethbridge on Oct. 7 and 8 were Principal Mr. S. Richards, Misses A. Greaner, H. Iwasick, Mary and Sadie McDougall, Mr. Drake, also of the teaching staff, spent the week end with his family in Calgary.

Mr. and Mrs. A. Berrington and children of Calgary were Thanksgiving guests of Mrs. Berrington's parents, Mr. and Mrs. G. Thornton.

The Hillcrest Miners' club has taken over the responsibility of getting the skating rink in shape. Local volunteer workers are hard at it and hope to have the rink ready when the skating season opens.

Mr. McKay, inspector of schools, paid a brief visit to the local schools on Wednesday.

Mr. and Mrs. C. Pitt have purchased the Packer residence in Blairmore and expect to move soon.

Friends are sorry to hear of the critical illness of Mrs. G. E. Cruickshank. Her son and daughter-in-law, Mr. and Mrs. R. Cruickshank of Olds, and her sister, Miss A. Armstrong of Calgary arrived on Wednesday evening to be with her during this anxious time.

Naturalization papers have been granted to: Mrs. Mary Komperdo, Mrs. Mary Kurie and Mr. Joe Mancinich, all of Blairmore; also Mr. Albert Michalek, of Coleman.

COWLEY HAPPENINGS

Peter Crosby of Calgary spent a week's holiday visiting at the home of Mr. and Mrs. Alvin Murphy.

The Ladies Aid of the Cowley United church was entertained at their regular monthly meeting at the home of Mrs. Lawrence Cleland on Tuesday, Oct. 5. There was a goodly number in attendance.

Mr. and Mrs. H. W. G. Kirk of the Cowley airport are being congratulated upon the birth of a son in St. Vincent's hospital, Pincher Creek, on Sept. 30. This home is blessed with a family of nine fine children, seven boys and two girls.

Mr. and Mrs. E. R. Wilborn of the Cowley airport are holidaying at Claresholm. They expect to be back around Oct. 18.

All school children were eager to be off to the sports on Wednesday, Oct. 6, when Cowley and all of the adjacent school districts were well represented at the track meet of the Pincher Creek school division, which was held at Pincher Creek.

After residing here for a period of two years, Mr. and Mrs. Lawrence Bent moved to Lethbridge this week. On Wednesday evening Mr. and Mrs. Bent were honor guests at a party held in their favor in the Masonic hall here to bid them farewell and to wish them every happiness in their new home. The large crowd of friends who gathered to do them homage joined in presenting the guests of honor with a handsome carving set.

Mr. Julia Eggleston of Prince Albert, Saskatchewan, who has been a guest of Mr. and Mrs. M. A. Murphy for the past week, left on Tuesday for Calgary, where she will spend several days visiting Mr. and Mrs. Howard Murphy, continuing on to the will visit friends in Regina before returning to her home. Mrs. Eggleston is a sister of the Murphys.

On Monday of this week, Martin Schatz had the ill luck to have 25 tons of hay destroyed by fire caused by the exhaust from his tractor. The fire was noticed at once and Mr. Schatz did his best to put it out by smothering it, but a wind soon fanned it into flames beyond control.

Word is received of the birth of a daughter to Mr. and Mrs. Brad Tustian at Manyberries.

W.C.C. Seek Service From Calgary Power

A CP dispatch from Calgary on Oct. 12 states an application of the West Canadian Collieries Limited, Blairmore, Alberta, for an order directing the Calgary Power Limited to extend its power lines to serve coal mines in the Crows' Nest Pass will be heard by the Alberta board of public utility commissioners on Oct. 21.

The date was set by board chairman G. M. Blackstock that day when an adjournment was requested by the collieries company. Adjournment was asked on grounds that G. H. Steer of Edmonton, counsel for the East Kootenay Power Company of British Columbia, was unable to be present.

The WCC now obtains its electric power from the East Kootenay Power Company, but desires to be served by Calgary Power Limited so that a sufficient and guaranteed supply of power would be available.

The application follows informal discussions held in Calgary last month between representatives of the two power companies and the collieries.

Out hunting on Thanksgiving Day, Jim Lot is still trying to figure out how the pecky peasants can move so fast. At that the party, which included Mr. and Mrs. Lot and Mr. and Mrs. Jim Turner, got a good bag.

Wm. Morgan Dies Following Stroke

Death came to Mr. William Morgan, 62, of Blairmore, in the local hospital on Thursday morning, October 14, about seven o'clock. He suffered a stroke while at work at the mine the Saturday morning previous.

The deceased was born at Garndiffaith, Wales, on Sept. 10, 1886, and migrated to Canada in 1927. He lived and worked in the Hillcrest mines until 1940, then he moved to Blairmore and was employed at the West Canadian Collieries until the time of his death.

He leaves to mourn his wife and one son, Stanley, in Blairmore, and a daughter, Mrs. W. Hammer, of Coleman, also two grandchildren.

A sister-in-law, Mrs. Richard Morgan, arrived here from Garndiffaith in May of this year was present during Mr. Morgan's illness and demise.

Funeral services are to be held on Sunday, October 17 at 1 p.m. from the Blairmore United church and interment will take place at the Union cemetery, with the Miners Union attending in a body. Culham's Funeral Home are in charge of arrangements.

IODE Make Annual Award to Students

Prizes of money were presented to Shirley Anne Morgan, 14, daughter of Mr. and Mrs. T. Morgan, and Bill Tyrlik, son of Mr. and Mrs. M. Trylik, at the annual presentation of awards to grade nine students of the Blairmore school made by Crows' Nest Chapter of the IODE at a gathering in the Anglican parish hall on Tuesday, October 5.

First prize was awarded to Shirley and second prize to Bill (not present at the gathering) for the two highest averages in grade nine.

Miss A. Soulet, who taught Miss Morgan in grade nine, said: "I knew from the start that Shirley would make the grade."

The meeting also marked the 28th birthday of Crows' Nest Chapter, vice-regent Mrs. Reg Tongue told members and guests. To mark the occasion a large cake with candles centred a beautifully decorated table during the ceremony.

Convenors were Mrs. A. Brown, Mrs. Jim Anderson and Mrs. Reg. Tongue.

FOR SALE — Norge Oilburner, used one season. Apply Phone 224, Blairmore.

Among the local public school teacher attending the recent teachers' convention at Lethbridge were: Misses Alice Soulet, Dorothy Hamilton, Lucy Soulet, Anne Kanik, Joyce MacKinnon, Anne Kubik and Jovye Millett and Mrs. C. Fleming.

Mr. and Mrs. Angelo Stella and son are visiting relatives in Blairmore and Frank this week. They motored here from Port Alberni, BC, having taken their mother, Mrs. Tony Stella, to Calgary to continue her treatment. She had been taking treatments at Port Alberni for several months.

On October 7 a high wind caused considerable damage to the washhouse and its smoke stack at the West Canadian Collieries mines at Bellevue. One half of the roof at the washhouse was torn off and the stack blown down. The roof was blown on top of several cars parked nearby. At Blairmore F. M. Thompson Co. lost one of their show windows that had been recently broken by a rock from one of Fyrmay's buses. The wind completely demolished it, requiring building up awaiting a new light.

Mother of J. Hunter, Blairmore, Passes

Funeral services for the late Mrs. Annie McPherson Hunter, 78, were held from the United church at 2:30 on Wednesday afternoon, October 13. There were many friends present. Rev. J. G. Goddard conducted the services.

The body was laid to rest in Fairview cemetery. Pallbearers were Messrs. E. Beere, J. Reed, J. Krawatch, until 1940, then he moved to Blairmore and was employed at the West Canadian Collieries until the time of his death.

Mrs. Hunter was born in Oxford County, Ontario. In 1901, with her husband, she came west and settled on the farm at Springridge where she lived until about six years ago when she made her home in town. Mrs. Hunter had been in the hospital three weeks in August suffering from a cold and cough and until just before her passing had been in moderate health.

On October 8 she had gone to Macleod to stay with her daughter, Mrs. Rutledge, and death occurred the following morning, Oct. 9.

Mrs. Hunter was a member and regular attendant of the United church, she was an ardent Red Cross worker and until the holidays pieced a number of lovely intricate quilt tops for the IODE members to quilt for overseas relief. Her busy fingers will be missed as well as will her pleasant smile and cheery disposition. She was predeceased by her husband in 1920, a daughter, Margaret, in 1927, and by another daughter, Alice, at the age of 12 years.

Remaining to mourn a beloved mother are one son, John Hunter, of Blairmore, and three daughters, Mrs. A. L. Rutledge of Macleod, Mrs. W. Simpson of Utopia and Mrs. Joseph McIntee of Cloverdale, BC.—Pincher Creek Echo.

EVERYBODY'S BUSINESS

by Don Graham

No, this is not a quiz! It is a way of suggesting that there are countless subjects which most of us never explore.

Yet there are very satisfying rewards waiting those who acquire general knowledge on any subject. The mere act of learning facts has a beneficial effect on one's personality, apart altogether from the usefulness of the information itself.

Where to start? Perhaps the most useful subjects are those related to your work. Next, you might study economics, psychology, history, or whatever else appeals to you and build an interest in it.

Such a program helps make you a more effective worker, a better developed personality and a more interesting conversationalist!

It may surprise you to learn that people in 64 different countries buy life insurance policies from Canadian companies—a fact which proves that Canadians are not the only people who have confidence in these companies and their efficient operation.

Progress In Science

THE PLACE OF RESEARCH IN THE national economy has become increasingly important. During the war, the value of research work was recognized in all countries and it was shown that well trained scientists, given adequate facilities and financial support, were able to make great contributions toward solving many of the most complex problems of the times. A notable example of this was the opening up of the great new field of atomic energy, a development which might not have taken place for many years yet had not scientists been given the resources and support to carry on intensive research work with the object of producing the atomic bomb.

More Money Is Being Spent

In Canada, the need for research work in furthering the development of our peacetime economy has been recognized, and the amounts spent to provide for scientific research has been substantially increased. The Rt. Hon. C. D. Howe, Minister of Reconstruction and Supply, recently announced that the Canadian government now spends more than \$10,000,000 annually on research and scientific activity. In 1946, the amount allocated to this work was \$20,000,000 and in 1945 it was \$28,000,000. In 1938, only \$6,000,000 was allowed for this purpose, showing the expansion which has taken place since that time. Of the \$10,000,000 spent this year, it is estimated that \$34,000,000 will be spent on research and development work, of which \$6,000,000 will be spent on construction and purchase of equipment.

Indications Of More Interest

In his report Mr. Howe drew attention to the fact that during the last years of the war, research and other scientific work for military purposes was three or four times greater than that done for civilian purposes. Now, however, it is expected that two-thirds of the annual expenditures will be devoted to problems related to the country's peacetime economy. In addition to the work which is being done under the auspices of the Dominion government, \$5,000,000 is being spent by the governments of eight provinces for scientific work on matters which are within their own jurisdiction. The per capita expenditure for each province for this work is: Ontario 42 cents, Nova Scotia 45 cents, British Columbia 42 cents, Prince Edward Island 37 cents, New Brunswick 36 cents, Alberta 33 cents, Saskatchewan 27 cents, and Manitoba 26 cents. Quebec's expenditure was not announced. These reports indicate that support for scientific research and development in Canada is increasing and this will undoubtedly mean that there will be progress in agriculture, medicine, industry and other matters essential to the welfare of the nation.

Honest Man Works Years To Pay Debt

HARROW, England. — A white-haired man of 73 went back to his counter job in a London store recently—clear at last of a £42 (\$165) debt. It had taken him 27 years to pay.

In 1911 William Walton's outfitter's shop in Liverpool went bankrupt and Walton owed a firm of shirt manufacturers £42. He decided he would pay the debt with interest no matter how long it took. He got a job as store assistant and put aside part of his wages every week.

Air is a mixture of gases, and not a chemical compound.

If Your Nose Fills Up

—Spoils Sleep Tonight!

A few drops of Vicks Vapo-Rol in each nostril will clear your nose, relieve stuffiness, relieve congestion, bring quick relief from sniffles, soothe head cold distress. Try it! Follow directions in package.

VICKS VAPO-ROL

Time For PARADOL

"Do women need to suffer so?"—mothers are often asked. One mother writes:

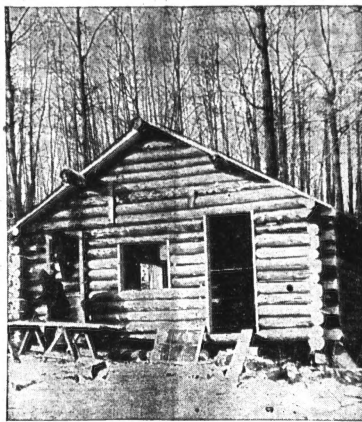

"The company nurse recommended Paradol when my daughter feared she would lose her job because of time lost each month. Now she loses no time and does not suffer pain or discomfort needlessly."

Paradol is the answer for women who suffer each month. Quick relief also from headaches and neuralgia pains. The name "Dr. Chase's Paradol" is your assurance. Carry Paradol in your purse.

DR. CHASE'S PARADOL

MACDONALD'S BRIER

Canada's Standard Smoke

HOUSE OF LOGS—Eugene Barilott, P.O. Grosmont, Alta., is shown in this building a log house for a neighbor. He says as follows: "A well built log house is superior when built with expensive lumber — is warmer in winter and cooler in summer when built on a good foundation like this one (cement and rocks). I am just planning boards for future work." Mr. Barilott lives on a homestead of 115 acres. There are large farms around but most of the land is still in poplar bush.

Irrigation Dam To Be Built Near Medicine Hat

MEDICINE HAT.—E. L. Gray of Regina, superintendent of water development for the Prairie Provinces Rehabilitation Act, confirmed reports that an irrigation dam will be built across Gros Vente Creek, 40 miles southeast, to provide a greater water reserve for irrigation between Irvine, Alta., and Medicine Hat.

He said an appropriation has been set aside and the project will be started as soon as the provincial water resources board gives its approval.

The dam, estimated to cost between \$20,000 and \$25,000, will provide additional storage for 6,000 acre feet of water. The flow will augment supplies in dry years through the Gros Vente and Ross Creek course which join near Irvine.

High Prices Force Vegetarians To Become Meat Eaters

VICTORIA.—Even vegetarians are having a hard time with the high cost of living.

They have joined the ranks of the meat eaters in high-price protests. Fruit and vegetables today are three times higher than they were 10 years ago.

"As an example," said one grocer, "we used to sell carrots at five cents a bunch. Now we sell a similar sized bunch at 15 cents. The same thing is pretty well true of all fruits and vegetables."

So there isn't much use of gaining vegetarians if you plan to get away from the high cost of meats.

CROP WAS FAST

WINNIPEG.—I. Kettner, who keeps a garden near Winnipeg, planted five dozen tomato plants May 20, and on July 14 began to pick ripe tomatoes. Some plants yielded as many as 37 tomatoes. A gardener for many years, Mr. Kettner says this was one of the fastest crops ever.

DOES INDIGESTION WALLOP YOU BELOW THE BELT?

Help Your Forgotten "28" For The Kind Of Relief That Helps Make You Rain To Go Below The Belt—In your 28 feet of bowels. Be when indigestion strikes, try something that helps digestion in the stomach AND below the belt.

What you need is Carter's Little Liver Pills to give needed help to that "forgotten 28" feet of bowels.

Take one Carter's Little Liver Pill before and one after meals. Take them according to directions. They help make up a larger flow of bile to digestive juices in the stomach AND bowels—help you digest what you have eaten in Nature's own way.

Then most folks get the kind of relief that makes you feel better from your head to your toes. Just be sure you get the genuine Carter's Little Liver Pills from your druggist—See.

Manitoba Drilling Sets Record Pace

WINNIPEG.—The most extensive oil drilling tests ever undertaken in Manitoba have been in progress this year.

Drilling crews from Alberta are now operating for the Standard Oil of California in the Brandon area. The test borings are up to 3,000 ft. and are being made at corners of each township. Tests were started early in the year at a point 100 miles southeast of Brandon and before the end of the year, will have been extended to areas about 40 miles northeast.

PLAN TO MOVE 60,000 REFUGEES TO CANADA

GENEVA.—The International Refugee Organization plans to move 60,000 refugees to Canada by the end of next June. It was revealed in budget estimates published recently. The I.R.O. plans to settle 75,000 displaced persons in the United States within the same period.

SOMETHING NEW!
"JUNK YARD" PLAY LOTS
VICTORIA.—Something new in play lots for youngsters is advocated by George E. Knight. He suggested the city have "junk yard" playgrounds to give the younger generation a whack at automobiles, street cars and even airplanes instead of a sandpile. Denmark and Norway, he said, have found the "junk yard" play lots safe and popular.

First recorded use of ration books was in 1,000 B.C., when China rationed rice after a flood.

TRAIN WRECK AT GEORGETOWN, ONT.—These two boys sleeping in pup tent narrowly escaped when flaming box car plunged down embankment behind them after train wreck at Georgetown, Ont. Three were hurt. Mangled bodies of cattle were crushed and a score of injured animals had

to be shot as they hobbled from burning box cars. Engine of through train plowed into the rear of standing freight, as shown. The engineer leaped before the crash. Wrecked freight cars piled up in tangled mass after fast-

moving freight crashed into rear of a standing freight train one mile west of Georgetown C.N.R. station. Box cars were telescoped and burned. One locomotive turned on its side in a burst of flame.—S.N.S. photo.

PRINCESS JULIANA IS NEW QUEEN OF THE NETHERLANDS—Pageantry of House of Orange was on display, flags waved and thousands cheered their Royal leaders in Amsterdam, Holland, as Queen Wilhelmina, who is abdicating after 50 years, appears on the balcony in front of the royal palace in Dam Square. Juliana, Bernhard and their four daughters are also on balcony. All Holland celebrated with blaze of flags. Juliana, 39-year-old daughter of the queen, became Queen of the Netherlands the moment her mother, officially abdicated the throne.—S.N.S. photo.

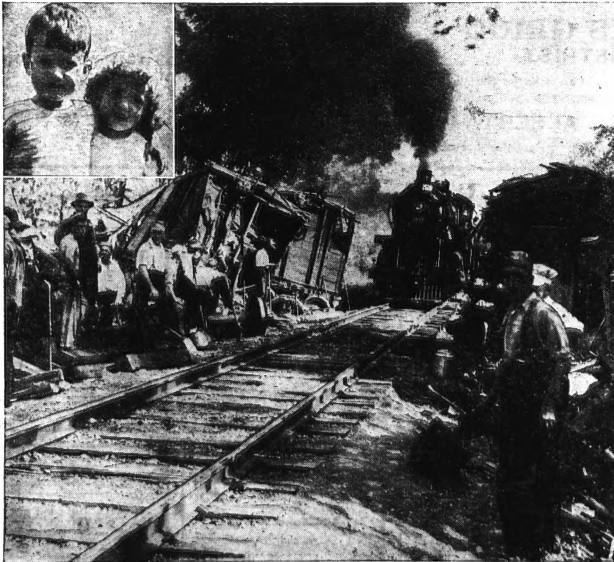

HOLIDAY IN ENGLAND FOR QUEEN OF INDIES—Chosen "Miss British Caribbean of 1948" Phyllis Woolford, daughter of Sir Eustace Woolford, K.C., won for herself a two-week holiday in England, plus a screen test and a spot in a London show. Beauty queens from many of the Caribbean islands competed.—Reuterphoto from S.N.S. *

KILLED BY DAREDEVIL DRIVER'S CAR—Shirley (Nicki) Harris, 16, (above), Toronto, was instantly killed when a stock model car, driven by a daredevil driver, went out of control and rolled into the spectator section of the race track at Sutton, Ont., after stunting through a flaming board wall. Four other persons were injured when the car, driven by Barney Robinson, Earls Court Ave., Toronto, a member of the Toronto Race Drivers' and Motorcycle association, plowed through the regular race track barrier of two-by-four timbers and a snow fence 20 feet away.—S.N.S. photo.

WINS SCHOLARSHIP—Olga Landak of London, Ont., has won the first major scholarship to be awarded by the London Little theatre. This will make it possible for Olga to enter the famous Royal Academy of Dramatic Art in London, England, this fall.—S.N.S. photo.

BOY DIES IN TRAIN CRASH—Sleeping in caboose of train stalled on the tracks two miles east of Birdsville station, near Peterboro, Ont., Kenneth Bull, shown inset with sister, was killed when a heavy freight train smashed into it. Workmen are shown here clearing wreckage. Ten-year-old boy was taking a holiday ride with father, who was conductor. Seven box cars were derailed.—S.N.S. photo.

WINNIPEG BOY FIRST INTO C.N.E.—First customer to enter the Canadian National Exhibition was blond David Bickford, 11, of Winnipeg. Another out-of-towner, John Bateman, 12, of Sioux Lookout, Ont., was a close second. They had lined up at midnight.—S.N.S. photo.

JUST LOOK AT WHAT THIS DOG SHED!—Mother usually grumbles when the family dog sheds his coat, but not if it's a Samoyed. Its coat, shed every spring, makes fine yarn and cloth. Betty Jane Pike wears tam woven from woolen undercoat of "Kazan Mark" here for a C.N.E. fashion show. Miss Pike, of Toronto, was among the top ten entrants in the recent "Miss Canada" pageant.—S.N.S. photo.

TO ESTABLISH CROW'S NEST FOREST RESERVE HEAD-QUARTERS AT BLAIRMORE

Plans are under way for construction of a building at Blairmore to serve as headquarters for the Crows' Nest forest reserve.

Nest forest reserve.

About five miles of the 200-mile trunk highway being built from Waterton Lakes to Kananaskis by the Eastern Rocky Mountain Forest conservation board has been completed, board officials reported on Oct. 12.

Board official said bad weather and late delivery of road building machinery delayed the work. A secondary road of rough gravel running from Jumping Pond to the Kananaskis forest reserve is nearing completion and about 65 miles of road has been surveyed, while reconnaissance surveys have been made over another 150 miles.

The board also announced that tests had been carried out on a proposed network of radio stations at forest ranger bases.

JOE PIETROSKY SUFFERS SEVERE HAND INJURY

Joe Pietrosky suffered a most unfortunate accident Wednesday afternoon at his home while sawing wood with a power saw. He cut the back of his hand so badly that he was im-

mediately rushed to the Kimberley hospital, accompanied by his wife and Dr. A. J. Tripp.

He is now reported to be progressing well, but will not be able to work for some time.—Columbia Valley news in the Cranbrook Courier.

Weekly Business Review

THE BUSINESS FIRMS LISTED IN THIS DIRECTORY REPRESENT LIVE, UP-TO-DATE CONCERNS THAT INVITE YOUR PATRONAGE. THE SERVICE WHICH THEY OFFER IS OF THE BEST AND DEALING WITH THEM NOT ONLY GIVES SATISFACTION BUT ASSISTS IN HELPING THEM SERVE THE COMMUNITY BETTER. TRY THEM WHEN YOU HAVE NEEDS TO BE SATISFIED.

Bellevue Hardware

Years ago a hardware store was patronized only by men who made their living in the manual trades, but in this modern world and to keep in step with the times, hardware stores, like all other businesses, have had to deal with the women and today 50% of a store's business is done with the fair sex.

The Bellevue Hardware has kept abreast of the times, and in addition to carrying a complete line of tools, paints, shelf and heavy hardware, this store stocks many lines which go to beautify the home.

This store has been serving the residents of Bellevue and district for many years, and is now under the management of Mr. Raph Nunn, the proprietor, who took over the business from Mrs. Emmerson in October, 1944. Mr. Nunn has over fifteen years experience in the hardware business and is building for himself and his establishment an enviable reputation for giving complete service to his customers.

The Bellevue Hardware enjoys a heavy patronage throughout the entire community. Their customers know from experience that only quality hardware from the most reliable of Canadian factories are to be found in this store's large stock.

Quality has always been their first consideration and their reputation for high quality merchandise is the result.

Announcement of the engagement of Miss Elsie Arrol of Vineland, Ont., formerly of Blairmore, to Mr. Percival Gordon Gale Moore of Barrie, Ont. The marriage will take place at Tintern, Ont., on Oct. 16.

J. B. McLeod, PUBLISHER

Blaimore, Alta., Fri., Oct. 8, 1948

Mr. Pete Colombo, of Creston, was a recent Blaimore visitor.

Messrs. Ernie Basso, Frankie Mascaro and Joe Amato were Kimberley visitors for the Thanksgiving week end.

In renewing his subscription to The Graphic, Fred Gregory of Calgary informs us that the name of his hotel has been changed from Lethbridge Union to that of Grand Hotel.

Mrs. L. Shanks and children were Calgary visitors recently.

Little Sharon Ridalecki underwent a minor tonsil operation in the local hospital on Thursday, Oct. 14.

Mr. and Mrs. Ed. Arrol have moved into the residence of Mr. and Mrs. Jack Ralston.

Born to Mr. and Mrs. Rudy Ruzek of Bellevue on Wednesday, Oct. 13, a daughter, Judith Sharon, at Perry's maternity home in Blaimore.

Mrs. Mackie has returned from a trip spent in the USA and at Trail, BC, visiting her son-in-law and daughter, Mr. and Mrs. Rodney Letcher, at the latter place.

Crow's Nest Chapter, IODE, wish to thank the people of Blaimore and district for generous support in their tag day and canvass for the C.M.B., when the sum of \$519.03 was realized.

Mrs. H. Hales is spending a few days with relatives in Calgary.

Mrs. Jim Gilmar is spending a holiday at Great Falls, Montana, visiting relatives.

Mrs. Johnny McDonald and young daughter of Trail, BC, are visiting relatives in Blaimore for a week or so.

Miss Margaret Yanota spent the Thanksgiving week end at Medicine Hat, the guest of her brother-in-law and sister.

Mrs. Stella Martini and son, Mr. and Mrs. M. Anselmo and family and Miss Eda Ungaro of Michel, BC, were the guests of Mr. and Mrs. Frank Aniatto on Thanksgiving Day.

Miss Ellen Picard has resigned her position with F. M. Thomson Co. and has re-entered the National Selective Service Employment office at Blaimore.

Mrs. E. Daignault and Dolores were Lethbridge visitors last Tuesday.

Mr. and Mrs. H. Culham and two daughters have returned from their visit to Ontario.

Mr. and Mrs. Bill Lynch of Beaver Mines are Blaimore visitors, registered at the Cos. hotel.

Mr. and Mrs. Byers of Nova Scotia spent a week at the home of Mr. and Mrs. W. Oliver.

I WANT TO KNOW...

What this new "Security Plan" will do for him

The Mutual Life of Canada's "Security Plan" enables you to start your child's insurance at a very early age, and at a low cost.

Protection starts at \$100 at birth, increasing annually to \$1,000 at age 9 and growing up to \$5,000 at age 20. If money is required for educational purposes when the child reaches university age, the policy may be surrendered for its cash value, otherwise it may be continued at the very low premium rate until age 60 or 65 when a retirement income is available. The Cash Value increases yearly, and dividends are paid annually as declared.

Ask a Mutual representative to give you all the facts.

Providing life insurance service since 1869

HERE'S WHERE WE STAND ON NEW-CAR SELLING

General Motors Dealers' "Foursquare Selling Policy" assures you a Fair Deal when you buy a new car

Let's bring this subject right out in the open.

Many conditions still exist which encourage the "gray marketing" of automobiles.

You don't like this—and neither do we.

There's no law against "under the counter" deals—demanding a bonus for early delivery.

There's no law against loading cars with accessories the customer doesn't want or need.

There's no law against selling to buyers who make it their business to resell new cars at inflated prices.

But we don't do it because it's not good business.

All dealers buy cars at clearly established factory prices which with the exception of transportation, are the same, model for model, all over the country. All start on a fair and equal basis—and should therefore sell at these fair and reasonable delivered prices.

So we're making public announcement of our code of fair dealing.

Our foursquare selling policy, simply stated, is this:

1 NO PADDING OF PRICES

We guarantee our delivered prices to conform with the manufacturer's recommendation and to contain nothing but standard charges which, of course, include Sales and Excise Taxes. You receive an itemized bill of sale. All prices are an "Open Book"—they are available to you and we sell at these listed figures.

3 TRADE-INS DESIRED—BUT NOT COMPULSORY

We will take your order for future delivery, without requiring a trade-in. However, we have many valued used-car customers who also depend upon us to supply them with automobiles. For this reason we would like to help your trade-in, and we'll give you a fair and reasonable allowance for it.

2 NO LOADING OF UNWANTED ACCESSORIES

All cars are offered with factory-installed accessories only and prices are figured to cover these. We pledge ourselves to add no "extras" except those each customer orders—and to avoid using "extras" to increase the delivered price.

4 NO COLLUSION

While we cannot prevent our customers from reselling new cars, we will not knowingly be a party to such transactions. Our only interest is to deliver new cars to bona fide customers.

We wish to express our sincere appreciation to our loyal customers and friends for their patience in awaiting their turn for delivery of new General Motors cars.

Although the popularity of General Motors cars is unprecedented, and the supply is lagging far behind the demand, we are doing our utmost to be fair and equitable in their distribution.

We present this platform because we believe it's good business to keep our customers informed.

It's a platform that gives you a fair deal when you buy a new car—exactly the same kind of a deal and treatment you got before the war.

If you wish additional information, it will gladly be supplied by any dealer whose name is signed to this announcement.

LOCAL DELIVERED PRICES

of Canadian produced General Motors Cars including Standard Factory Equipment, five new type low-pressure tires and Dominion Sales and Excise Taxes, but not including License Fee or Provincial and Municipal Taxes where these apply.

WORLD HAPPENINGS

BRIEFLY TOLD

The foreign ministers of Denmark, Norway, and Sweden recently held secret discussions on joint Scandinavian defence.

More than 200,000 farthings (\$800) have been collected by boys of South Grove School, Tottenham, to help sick, invalid and needy children.

Hassan Abdel Rehim, a 41-year-old non-commissioned officer in the Egyptian Army, swam the English Channel in 17 hours and 38 minutes.

Two young Argentinians with an estimated 27,000 bicycling miles behind them, passed through Edmonton homeward bound for Buenos Aires.

Every year, a Gloucestershire cottoner Frederick Horlick, 85, makes his wife a wedding anniversary cake. He recently completed his 64th.

Geologists from Switzerland, the United States and India helped to rescue an injured climber found 2,500 feet up Ben Nevis, Britain's highest mountain.

Heinrich Prude, for years a favorite campaigner on the western range circuit, was destroyed by the humane officer on the advice of Dr. A. J. Malma, veterinarian.

Miss Helen Hickman, 85, of Rowden, Cheshire, England, who died last March, ordered the destruction of her cat, cows and calves in her £230,000 (\$112,000) will.

Boosted by large sales of new ships and vessels, Canada's export trade jumped \$14,300,000 during July to \$200,000,000 against \$236,000,000 in July, 1947, the bureau of statistics reported.

RECIPES

CORN FLAKE POTATOES
6 hot boiled potatoes
4 tablespoons mayonnaise
1 cupful of corn flakes rolled fine
Cook potatoes in boiling salted water until tender. Drain and roll in mayonnaise, then in corn flakes crumbs. Place in a greased pan and bake in a hot oven (425 deg. F.), or toast under the broiler flame, turning frequently, until well browned. Serves six.

BAKED SQUASH WITH SAUSAGE
Cut squash in half, remove seeds and place in a greased pan. Sprinkle with salt and 4 teaspoon molasses for each portion.
Put a little water in bottom of baking dish. Cover and bake one hour in moderate oven.

At the end of the first 30 minutes, place in each piece a few small links sausages which have been put into cold water and heated to the boiling point. Finish baking uncovered.
For youngsters, the squash may be baked without the addition of sausages, and served instead with slices of crisp bacon.

COLOR TREND CHANGING
A trend toward the choice of lighter and more colorful paint shades for automobiles is reported by manufacturers. Black and dark blues, which used to account for practically half of the volume of automobile finishing, still range highest in color preference but their margin has been considerably cut in modern car finishing, some 60 per cent. of the preference goes to such colors as light green, beige, grey and marine blue.

EXPERIMENT—Eight acres of crops are being harvested with small tractors, just 13 miles from central London. The harvest is part of an experiment with roadside green land where thousands of tons of grain, potatoes, and other vegetables could be grown in hard-pressed Britain.

Recommends Insurance To Farmers For Crop Damage By Feeding Ducks

CALGARY.—Insurance against damage to crops by feeding ducks, may become a federal responsibility if a report being prepared by Dr. Oliver Hewitt, Ottawa Dominion Wild Life Service inspector, is accepted.

After inspecting crop districts in the Calgary area, Dr. Hewitt reported that extensive damage has been done by ducks feeding off crops in the area.

Honey Crop Up By 13 Per Cent.

OTTAWA.—The honey crop this year is estimated at 41,535,000 pounds, 13 per cent. more than last year's and 17 per cent. greater than the average for the five years prior to the war.

A preliminary honey crop report says that during the year 1947, the average yield is up from 63 pounds to 74½.

Estimated 1948 production, with last year's comparative figures in brackets:

Prince Edward Island, 70,000 (57,000) pounds; Nova Scotia, 115,000 (112,000); New Brunswick, 132,000 (142,000); Quebec, 4,235,000 (5,309,000); Ontario, 15,751,000 (12,250,000); Manitoba, 7,498,000 (5,180,000); Saskatchewan, 5,038,000 (5,282,000); Alberta, 7,889,000 (6,507,000); British Columbia, 945,000 (1,159,000).

MORE STRAW BALED FOR FODDER

SWIFT CURRENT.—There was more baled straw between Swift Current and Prince Albert this year than he had ever seen in his life before. L. M. Ogilvie, agriculture supervisor said after returning from a two weeks tour of the northern part of the province.

Mr. Ogilvie attributed this fact to the shortage of feed in many points in the province this year. In many cases he said the baling operation was completed the same day that the combining was done.

Mr. Ogilvie said that this indicated to him that farmers all the way north were aware of the fodder shortage, and were taking this means of putting up straw in as small a space as possible for the winter months. In this form it is easily shipped to other points in the province when additional straw is required.

The Blackie and Brant district and lighter damage around Brooks where a heavy yield is anticipated this year.

Dr. Hewitt said in Calgary, following his inspection, that he would recommend that some form of federal insurance be available to recompense farmers against crop damage by feeding ducks.

A similar recommendation was passed at the annual meeting of the Alberta Fish and Game association early this year. It urged that some form of insurance, similar to hail insurance, be paid farmers.

Dr. Hewitt said that if colder weather started freezing ponds in the north, the birds would be driven south earlier than usual and farmers could then expect heavy losses unless their crops were harvested.

Winter wheat and rye crops in the district east of High River were bearing the brunt of the attack. Crops lying in swath on the ground were providing feeding grounds for the ducks and farmers do not have the men to spare to go after the birds in an all out attack.

Successful Transfer Of Moose From Elk Island Park

The successful transfer of 10 moose, five male and five female, from Elk Island National Park, Alberta, to Cape Breton Highlands National Park, Nova Scotia, by the National Parks Service of the Department of Mines and Resources, was announced.

The 2,500-mile trip, which lasted nine days, was made over Canadian National Railway lines. The animals were taken by special truck from Little Bras d'Or, near Sydney, N.S., to the Roper's Brook area in the Cape Breton Park, where they were released. Officials of the National Parks Service and the Dominion Wildlife Service had charge of the moose during the entire trip.

At one time moose were abundant on Cape Breton Island, but excessive exploitation resulted in their extermination. In winter, when deep snow made the animals helpless, hunters often slaughtered them in their winter "yards".

Under sanctuary conditions, however, wild animals that were virtually extinct at the turn of the century are once again thriving. The buffalo is a classic example.

The re-establishment of moose in Cape Breton Highlands National Park is regarded as an important project. A recent investigation of wildlife conditions there revealed that the area is excellent moose range. Under these favourable conditions the moose should increase rapidly.

Storing Vegetables For Winter

NOW is the time to think of storing away those surplus vegetables for the winter, or at least beginning to make preparation for their storage. It is useless to wait until the cold weather is on you, then find no place ready to receive them. Storing vegetables are cheap now, it would not be a bad idea to buy some and put them away, providing the conditions in the cellar are favorable.

Select a suitable portion of the cellar. Board it off from the rest of the cellar. Cover the boards with felt paper. Do so on both sides of the partition and do a thorough job. Your object is to exclude the artificial heat from the furnace. Provide a false floor for part of this room. Nail a few slats on one of the walls. Build a few bins on one side of the room. Use the floor of the cellar. Provide a few slats of boards and old bags.

The reasons for this advice are given as follows:

CAUTIONS ABOUT STORING

Don't let the frost injure the crops before you take them into the cellar. Don't bring them in while they are in a moist condition. Don't cover roots with damp sand if the cellar is hot. They will start to grow if you do. Eat them quickly, can, dry or give away in preference. Don't let cold winds dry out your potatoes. If you do a bitter taste is the result. Don't try to store onions, squash or pumpkins in a cool cellar. They will keep better in the attic. Don't forget to watch your storage room and sort out decayed specimens before the trouble spreads.

Don't forget that a thermometer is a good friend in a storage room. If it is impossible to provide a special storage place as suggested, select that part of the cellar farthest removed from the furnace where the greatest amount of air circulation takes place.

Oversize Eggs Causing Shippers Lot Of Trouble

WINNIPEG.—Canadian hens are causing a lot of trouble by laying oversize eggs.

A. F. Darnell, district inspector of poultry products for the Federal Department of Agriculture, said that many farmers have reached the stage where poultry men are asked to see what they can do about raising hens that produce smaller eggs.

Thirty years ago eggs averaged 18 to 19 ounces a dozen. Breeding programs produced strains capable of laying eggs weighing anywhere from 26 to 28 ounces a dozen. Now, approximately seven per cent. of the eggs on the market weigh more than 28 ounces a dozen.

Crates simply weren't able to cope with the expanded hazy fruit. Mr. Darnell said that of every case arrived overseas during the war, an average of one dozen eggs arrived cracked or broken because egg slits weren't large enough.

Manitoba producers got together and asked the federal government if the size of crates could be increased. "Go ahead"—the producers were told. They did—and the railways started beefing since it affected space allotment.

Mr. Darnell said that through a new breeding policy it was hoped to reduce somewhat the number of oversize eggs on the market. Raisers also are being discouraged from shipping big eggs overseas. The extra eggs mostly are being absorbed by the home market. However, since an overseas quota must be met at least some of the big fellows get on the boat.

WORLD TRADE WEEK TO BE HELD ANNUALLY

MONTREAL.—World Trade Week will be observed annually in Canada, it was decided at a meeting of the national committee following the first observance across the Dominion this year. The week is sponsored by The Canadian Chamber of Commerce, Canadian Exporters' Association, Canadian Section of International Chamber of Commerce, Canadian Importers and Traders Association and Canadian Manufacturers' Association.

The timing of the week in 1949, the committee decided, should take into consideration the similar week in the United States and should be held prior to the Canadian International Trade Fair.

NEW FARM SPREADER

LONDON.—A new farm spreader that distributes a two-ton load of either artificial or natural fertilizer in 10 minutes was designed here recently. Officials say that the machine, which loads in eight minutes, can be used for bulk transport of grain or other commodities. 2795

CAUTION URGED IN FALL SEEDING

REGINA.—For the protection of crops, seeding of fall rye and winter wheat this year should be delayed until grasshoppers have practically disappeared. Field Crops Commissioner W. H. Horner said recently in pointing out that even a small number of "hoppers" could do much damage when grain starts coming up.

Mr. Horner added that stubble fields in infested areas should not be seeded, since such fields were likely to be heavily infested with grasshoppers per acre. Widespread damage when hatching begins next spring would be "almost inevitable" because of the difficulty in controlling this type of infestation.

Not only were crops sown on stubble fields likely to be lost but there was also a danger of "hoppers" moving to nearby summerfallow crops and destroying them, Mr. Horner concluded.

Pasteurized Milk Is Safe.

OUR WESTERN TOWNS

CLIMAX, Sask.

—Celebrates Silver Anniversary
—Becoming Noted For High Grade Cattle

THE town of Climax is twenty-five years old. It was founded in 1923 and, according to old timers, was named after "Climax", a town in Minnesota. Of course, settlers had been coming into the district from 1909 on and were compelled to freight their supplies from the mainline towns of Swift Current and Gull Lake. Many of these settlers came from Minnesota and the Dakotas. Those from Minnesota are blamed, or commended, according to your point of view, for the name given to the place. By-the-way, its silver anniversary was fittingly celebrated on July 1st.

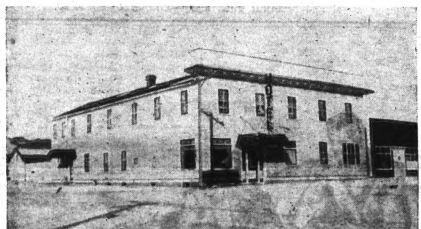

The south line C.P.R. came through in 1923. As might be expected the railway company laid out the present townsite half a mile north of where business buildings had already been erected. The whole town moved down to the new site. The general location is good; at junction of highways 37 and 40 and the central point on the southern railway, just 15 miles from the U.S. boundary. Not that it adds anything much to the picture, but we're not far from the point where Sitting Bull crossed into Canada after his little affair with General Custer at the Little Big Horn. They do say that the horde of embattled red men were met by one lone mounted policeman. He told them to be good boys or they would be kicked out.

WAS TYPICAL FRONTIER TOWN OF THE WEST

It was evidently a typical western frontier town in the early days, boasting a roadhouse called "The Bucket of Blood", "Silver Dollar" saloon, etc. Why, they even used to

Main street of Climax looking from the south.

The Climax Hotel is well equipped for the traveller and the touring neighbors from across the border.

FRUIT ORCHARD WITHOUT IRRIGATION

Within an enclosure of trees and hedges, which provide an efficient windbreak, a nice-fruit orchard has been landscaped, cultivated and nurtured by George Kneesch, a farmer south of Climax. The hardy caragana forms the backbone of this windbreak but there is a liberal sprinkling of ash and elm trees.

The land area enclosed, four or five acres in extent, slopes gently to the eastward, and would seem well suited to the purpose. Surprisingly enough, the whole project was started only about eight years ago and while producing more or less during the past three or four years, reached its peak of production this season.

There are long rows of two or three different varieties of gooseberries, red, white and black currants, ground cherries and strawberries. Then come ordinary cherries and plums. The trees are of good size, six, eight and ten feet high and well branched. That description also ap-

plies to rows of apple trees—several varieties of crab and cooking and eating apples. The latter strongly resembles the "Yellow Harvest" apple of the east.

Teamed up with a bunch of luxuriant lilac bushes, the fruit orchard is a delight to the eye when in bloom. The more practical-minded person might find it more of a delight later in the season this year, when all these trees and bushes, almost without exception, were loaded down with ripening fruit. The Kneesches have marketed a considerable quantity and, of course, have "put down" plenty for the use of their own family during the winter.

It is to be noted that this fruit orchard has been developed entirely without irrigation, has withstood the rigors of winter and the blistering heat of dry summers with marked success. All of which would seem to prove that many varieties of fruit can be produced on these plains.

A progressive fruit orchard owned by George Kneesch, a farmer south of Climax, Sask.

When your BACK ACHE...

Backache is often caused by **kidney** action. When kidneys get out of order excess acids and poisons remain in the system. Then backache, headache, rheumatic pain, disturbed rest or that "tired out" feeling may soon follow. To help keep your kidneys working properly—use **Dodd's Kidney Pills**. Time-tested, popular, safe, non-habit-forming. Demand **Dodd's Kidney Pills**, in the blue box with the red head. Sold everywhere. 15¢

Dodd's Kidney Pills

WHAT'S SOMETHING DOWN IN PRICE

WINNIPEG.—Here it is—the product that has come down in price.

Dr. M. S. Lougheed, medical health officer, told Winnipeg's civic health committee the price of rat poison is much lower than it was a year ago. Consequently there was money left over from an appropriation for rat extermination.

Rayon was the first man-made fibre. 2795

Western Briefs

VANCOUVER.—The Sea Island Airport here has taken on new international significance with trans-Pacific routes operating from here. City council has renamed the airbase, Vancouver International Airport.

YELLOW GRASS, Sask.—Main business street in Yellow Grass has been black-topped and the other streets graded, and some gravelled.

EDMONTON.—Keith Woodall, 22-year-old goalkeeper who played for Kitchener-Waterloo Dutchmen of the Ontario Hockey association senior league last season, has been signed to play with Edmonton Flyers of the Western Canada Senior league this winter.

FOAM LAKE, Sask.—A flat rate increase of \$10 per month for all day and professional employees of the Foam Lake Union hospital was made at a recent meeting of the hospital board.

WOODBRIDGE, Man.—Mike Gerardy when driving near St. Labre with a party of friends encountered six bears. Taking a .22 rifle, which he had in the truck, Mike shot one of the bears and the others took to the bush. Returning to Woodbridge the party obtained a heavy calibre rifle and returned to the scene of their encounter. The bear had not moved from the scene of the first shooting and the party succeeded in killing three more. The other two disappeared into the heavy bush.

To Compliment You

You will look slimmer! Every line of Pattern 4733 is cleverly designed to pay you compliments! A new scalloped collar with cuffs to match gives this the perfect finish.

This pattern, easy to use, simple to sew, is tested for fit. Includes complete illustrated instructions.

Pattern 4733 comes in sizes 34, 36, 38, 40, 42, 44, 46, 48, 50. Size 36 takes 4 1/2 yards 35 inch.

Send twenty-five cents (25c) in coins (stamps cannot be accepted) for this pattern. Write plainly size, Name, Address and Style Number and send to the Anne Adams Pattern Dept., Winnipeg Newspaper Union, 175 McDermott Ave. E., Winnipeg, Man.

Organized 'Harvest Bee' For Injured Farmer

WOLSELEY, Sask.—Allan Bourne, a farmer of the Wolseley district, fractured his leg recently and his crop became ripe but he was unable to harvest it.

Then Archie Watson, a neighbor, organized a "harvest bee". Nearby farmers pooled their efforts and resources to harvest Mr. Bourne's crop. When operations were in full swing there were five combine on his land, two binders cutting oats, three men stacking, three trucks hauling grain, two tractors drawing wagons, four women cooking for the workers.

WHAT ARE YOU TRYING TO PULL, FRANK? MR. WILSON, YOU CAN'T POSSIBLY OWE ME \$25. YOU \$25.

GREEN DAY! CAN'T YOU TELL \$25 FROM \$2.50? IS THAT WHAT YOU THINK? THE DECIMAL POINT IS!

HOW CAN GUY GET SO CONFUSED ABOUT SUCH A LITTLE THING? YOU PAID HER \$25.00 AND SHE HANDED HER \$2.50. WHAT DO YOU MEAN SHE'S CONFUSED?

YOU PAID HER \$25.00 AND SHE HANDED HER \$2.50. WHAT DO YOU MEAN SHE'S CONFUSED?

OUR COMPLETE SHORT STORY—

"OLD MAN" Not Hindering Fellow As Is Some Use In The World

By K. E. WILSON

I've painted a good many houses in my time—an' that there's pretty close to bottle-green," said old Avery anxiously.

"Not exactly my idea of bottle-green," Dr. Smith said, starting across the lawn. "Get your ladder placed—I'll be back after my next patient."

"Is he turble allis?" Sulphur an' molasses took in spring is powerful medicine," came timidly from old Avery.

"That's right," laughed Dr. Smith. "Just what this fellow needs."

Old Avery tugged at a heavy extension-ladder. By exerting all the strength in his tall lean body, he got the ladder's end under the edge of the roof, then turned at the sound of footsteps.

"Know where's the janitor?" Inquired a capable-looking young man, pointing to the apartment building next door.

Avery's watery blue eyes peered curiously over his spectacles. "What say?" squeaked his thin treble.

"I'd like to get work in this here apartment, I—"

"Work, eh? They got a regular man. Where you from?"

"Albans," said the stranger.

"Don't that beat all! I preached down there when I was younger—preached so hard, wore out my voice. Ever paint much?"

"Little," said the stranger.

"You look willin' an' honest—step over to Judge Haight's across the street. He needs a man to putter round some."

The young man swung away on "Thanks." The village postman came up. Shifting his heavy leather bag to a new position on his shoulders, he asked, "What's doing here? Doc freshening up?"

"Plenty green, ain't it?" Old Avery's humped shoulders tried to straighten under his faded blue shirt.

"Reminds me of my university days—when they called me greenhorn. Ever paint much?"

"Not to speak of—feet bother me a lot."

"Ever bathe 'em in cold water and salt? That'll toughen 'em."

"Sounds like a sensible treatment. Thanks—I'll try it tonight." The postman walked toward the Smith mailbox.

Dr. Smith now reappeared. He peered down into the paint-pail. Scowling, he missed nails on bottle-green. There's none in town."

"I could mix in a mite of lamp-black," suggested Avery.

"Just the ticket! Why didn't I think of that?"

"Ever paint much, Doc?"

"By spels. Garden furniture, cellar stairs—here comes that man from the employment agency."

He greeted the workman with, "I want those loose shingles on the cupola nailed down."

"That's a tricky place to get to," complained the young man.

"That draatted office-bell again!" exclaimed the doctor, making for the house.

Old Avery appreciated the stranger. "Guess you never steered one of them new-fangled air-wagons. Afraid to climb?"

"No—it just makes me dizzy," acknowledged the young man.

"Unhappy to follow in your business, ain't I? Lend me your hammer—an' that sheet of tin."

The young man handed them over

without protest. Laboriously, old Avery crept up the long ladder, soon was vigorously pounding the cupola roof. When he stood beside the young workman again, he inquired, "Ever paint much?"

"None."

"I'll be eighty come Christmas—so my advice is seasoned. You'd better hire out to paint—practice climbing. Then that tries, prospera. Got folks?"

"No. I just hit town. I'm lookin' for jobs and—"

"You run 'long up Maple Street—number two. You set on the steps of that two-room shack till I come. I back there—an' you're welcome."

"Thanks," stung out the young man, wheeling quickly away.

Old Avery squinted up at the black clock hanging ominously low. He stopped, picked a sprig of catnip, tucked it carefully into his coverall pocket. His tabby-cat doted on catnip.

Suddenly, the rain pelted down. Old Avery limped to the rear of the house, stuck his white head in the kitchen door. "Tell Doc I'll be round first thing in the mornin'—weather permittin'. There's no charge for today—ain't done nothin' much."

"Okay—when I finish washing this window," grumbled Nellie, the maid. "Why they build high windows like this, beats me!"

"Let's have that cloth, Miss," said old Avery, taking the chamela out of her hand.

Painfully, he mounted the kitchen stool, wiped black soot from top window-pane.

"Winks a million!" said Nellie, hearing his knee-joints crack at each downward step. "You're sure spry!"

"Yes—developed muscle year after year whipping brussels carpets for stylish ladies—to pay my way through the university. Ever paint much?"

Before Nellie could reply, Mrs. Smith called from the living room, "Nellie—don't start the ice cream! I've phoned the groceries—strawberries are sold out!"

"Loulie's fruit-stand had a nice batch of 'em when I come past a while back," offered Avery.

"I'll go tell her," gasped Nellie, rushing away.

"I'd best be gettin' on—not hinderin' as is some use in the world," mumbled old Avery, picking his way down the rain-soaked steps. (Copyright Wheeler Newspaper syndicate)

EATON'S

SORGE-KEMP

A quiet wedding of much interest to the community took place in the St. Michael's church rectory on Sept. 6 at 3:30 p.m. when Violet Jane Kemp, daughter of Mrs. Anne Kemp, became the bride of Kenneth Theodore Sorge, son of Mr. and Mrs. Theodore Sorge, all of Pincher Creek. Rev. Father Tardiff officiated at the wedding ceremony.

The bride, given in marriage by Mr. Otto Cameron, wore an afternoon dress of blue and white jersey and a white hat with blue veil and white accessories. She carried a bouquet of white and pink carnations.

Her sister, Ruth, as bridesmaid, chose an afternoon dress of coral crepe and white hat with coral veil. She carried a bouquet of snapdragon and gladioli.

The groom was attended by his brother, Steve Sorge.

Following the ceremony a reception was held at the home of the bride's mother where 38 sat down to a table beautifully decorated with sweetpeas. A three-tier wedding cake centred the bride's table. Mr. Ernest Cridland proposed the toast to the bride, with the groom responding.

For the occasion the bride's mother wore an aqua crepe dress with a corsage of pink and white carnations and the groom's mother chose a navy blue dress with a corsage of pink and white

carnations.

For a honeymoon trip to Waterton Lakes and over the Logan Pass and points in the United States and British Columbia, the bride changed to a green gabardine suit with white accessories.

The young couple will reside on a farm south of town.—Pincher Creek Echo.

Honor Bride-Elect

Clusters of sweetpeas, garlands and bouquets of gladioli and autumn-flowers formed the setting in the banquet hall of the United church Friday evening, Sept. 3, for a community shower given in honor of Miss Violet Jane Kemp, bride-elect of Sept. 6. The shower was sponsored by Mrs. L. B. Sorge, Mrs. Fred Scheninger, Mrs. Ernest Cridland and Mrs. Irvine Sorge.

Mrs. Otto Bratz and Mrs. C. F.

First Aid Hints for . . . **SPRAINS and STRAINS**

When, by sudden wrench or twist, the ligaments and the parts around a joint are stretched or torn, the joint is said to be sprained.

SPRAINS:

SIGNS AND SYMPTOMS:

1. Pain at joint.
2. Inability to use the joint without increasing the pain.
3. Swelling and, later, discoloration.

TREATMENT:

1. Place the limb in the most comfortable position and prevent any movement.
2. Expose the joint and apply a firm bandage.
3. Wet the bandage with cold water and keep it wet.
4. When this ceases to give relief, take the bandage off and re-apply it.

In all doubtful cases treat as a fracture.

STRAINS AND RUPTURED MUSCLES:

When, during severe exertion, muscles or tendons are over-stretched, they are said to be strained; or, if they are actually torn, they are described as ruptured. A so-called strain in the groin (hernia) is an injury of a totally different nature.

SIGNS AND SYMPTOMS:

1. A sudden sharp pain at the seat of injury.
2. When the muscles of a limb are strained they may swell and cause severe cramp.
3. Further exertion is difficult or impossible; for example, if the strain has occurred in the back the patient may be unable to stand upright.

TREATMENT:

1. Place the patient in the most comfortable position, and afford support to the injured part.
2. Apply a hot compress.

Suggested by

The Brewing Industry of Alberta

Carswell received the guests. Mrs. G. Butterwick presided at the guest book. To the strains of wedding music provided by Mrs. A. L. Freebairn the guests of honor, Miss Violet Kemp, Mrs. A. Kemp, Mrs. T. M. Sorge, Miss Ruth Kemp, and Miss Agnes Sorge, were escorted to their places by Miss Lenore Morgan, Mrs. C.

Carswell and Mrs. Otto Bratz.

Miss Lenore Morgan gave the presentation speech, in which she expressed the good wishes to Violet and Ken in their future home. Then Miss Morgan and Miss Ileana Taylor assisted in opening the gifts. The bride-elect graciously thanked everyone for the many useful and beautiful gifts, and

extended to everyone an invitation to visit her in her new home.

A dainty lunch was then served by many young friends of the bride-elect. The evening was brought to a close by the singing of "For she's a good fellow," after which the guests each tendered good wishes to Violet.—Pincher Creek Echo.

Your banker works

For You

As a depositor or borrower, you value privacy in money matters. Your banker protects that privacy. Your banking transactions are not open to the eyes and ears of your competitor, your neighbor, your community.

In other words, the manager of your branch bank and his whole staff are working for you.

Contrast this Canadian way with conditions in lands where freedom is denied—where every bank is a political tool, every banker a public official working for the State! State monopoly of banking, proposed by Socialists here, would open your banking transactions to political intrusion.
